

UK Summer Hill Walking – Women’s

There is nothing better than a stroll in the sun and you can head for the hills in confidence that you are fully protected from the elements with our warm climate kit list. You’ll need kit which helps you stay cool and protected from the sun so look for high wicking and fast drying fabrics.

Kit list

Women’s Technical SS Crew

Women’s Calisto

Women’s Spectrum Jacket IA

Women’s Terrain Zip-Off Convertible

Women’s Explorer Trek

Women’s Freeflow 25+5

Corker II Hat

Base layer

Top

Ideal Gear: Women’s Technical SS Crew

You can enjoy the warmth in comfort with the Technical Short Sleeve Crew which is lightweight, fast drying and has permanent odour protection, making it the perfect partner for an energetic walk in warm climates.

Pants

Ideal Gear: Women’s Terrain Zip-Off Convertible

The Terrain Zip-Off Convertible pant offer the best of both worlds as they can be worn as trousers in cooler conditions and converted into shorts when things heat up. Not only are they versatile they allow freedom of movement, making it the perfect partner for an energetic walk in warm climates.

Mid Layer

Fleece

Ideal Gear: Women's Spectrum Jacket IA

If things cool down as you head higher up the Spectrum Fleece Jacket can be zipped into any InterActive shell, giving you a comfort and warmth right when it's needed.

Outer Layer

Jacket

Ideal Gear: Women's Aura

Take to the hills in the women's Calisto, designed to meet the needs of any outdoor enthusiast. Packable and breathable, this lightweight waterproof protection is made from Berghaus®' own AQ™2 waterproof fabric technology perfect for summer hiking.

Footwear

Ideal Gear: Women's Explorer Trek

Tackle fells, dales, hills and mountains with the classic Explorer Trek GORE-TEX® Walking Boot. Comfort and performance are combined in this boot thanks to our GORE-TEX® waterproof protection and suede and mesh upper. The perfect fit is guaranteed with the adjustable lacing system allowing you to easily adjust and adapt to your surroundings.

Rucsac

Ideal Gear: Women's Freeflow 25+5

Carry all the gear you need with ease with the improved Freeflow 25+5 Rucsac, a daysac bag designed with your comfort in mind. Ideal for all hiking and all outdoor activities, this sturdy medium sized pac has expandable capacity, and is built on the exclusive Berghaus® Freeflow system that allows airflow and ventilation where it really counts.

Hat

Ideal Gear: Corker II Hat

Enjoy protection from the scorching sun in the stylish Corker II Hat with UPF50 protection.
